Room 7262 New State Department Building

Dear Mr. Armstrong:

In the absence of Admiral Hillenkoetter I am replying to your letter of 15 September relative to the transfer of certain departmental employees from the Department of State to the Central Intelligence Agency.

Action has been initiated to effect the immediate transfer of [redacted] action on Mr. [redacted] will be deferred pending further recommendations at your convenience.

Reference the second paragraph of your letter, one other departmental employee of the Department of State, [redacted] is now on detail with CIA. It is assumed that you do not desire action initiated for transfer in his case.

We are pleased to be able to be of assistance to you in view of your budget restrictions, and hope you will call on us for such similar aid as we may be able to afford in the future.

Sincerely yours,
